

Certificate of Completion

On behalf of iCRA, it is hereby declared that

Dossou Léopold TOTON

from

Benin

has successfully completed the blended training course

Making Competency Based Education Work
Transforming education for youth employment in the agri-sector

2023

This course included 10 weeks online training and one week face-to-face in Wageningen, the Netherlands. **Course topics included the following focus:**

- Instructional design according to the Learning Staircase method, linking learning to real-life needs;
- Facilitation skills that stimulate student motivation, interaction and learning;
- Innovative use of online tools such as Flipping the classroom;
- Improving connections with the Labour market for real-life learning and design; and
- Feedback and formative assessment methods in class sizes large and small.

Signed and delivered June 28, 2023.

Certificate of Completion

On behalf of iCRA, it is hereby declared that

Mr Léopold Dossou Toton

from

Benin

has successfully completed the blended training course:

Making Blended Training Work

Designing and delivering (online) training that has impact on your participants

May – July 2022

This course included 7 weeks online training and one week face-to-face in Wageningen, the Netherlands.

This course included topics on:

- Effective approaches and tools to keep trainees motivated, active and engaged;
- Methods and tools to design and deliver interactive online and blended training programmes;
- Strategies for improved blended course design and feedback, and for the evaluation of the trainees' learning progress;
- Ideas and examples for embedding education in real life, offering learning that goes beyond the classroom walls, even when training online.

Signed and delivered June 28th, 2022.
